### Concern Addressed

Lorem ipsum dolor sit amet consectetur. In præsent pulvinar id enim aliquam volutpat felis pretium. Imperdiet ac massa sem donec.

We work with verified and legitimate partner organizations to ensure that all donations are distributed to those in need.

By donating through our platform, businesses and individuals can earn rewards points that can be redeemed for discounts, coupons, and other exclusive offers from our partner businesses.

Our platform matches donors with local partner organizations, reducing transportation costs and minimizing food waste.

Partner organizations will glean excess crops and pay for transportation costs, ensuring that all donations go directly towards feeding those in need.

Liability fears

Donors are protected under the Good Samaritan Law, which shields food donors from liability when donating to those in need.
